Jesus Christ is not a theoretical idea or a mere concept far removed from our human experience. In *Across All Worlds*, Baxter Kruger brings us face to face with the fact that Jesus has established a very real and personal relationship with us in our darkness. Jesus accepts us and walks with us because he is determined that we come to know His Father with him and life in His embrace. "Baxter Kruger has seen something beautiful and he wants you to see it too. At the heart of the universe stands a set of relationships. Father, Son and Holy Spirit created you out of love to share in their love. Jesus has done everything to make this happen. Nothing is greater and nothing is better." -Ken Blue, author of "Healing Spiritual Abuse and The Authority to Heal" "Jesus Christ is not a doctrine, but a person who knows his Father . . . *Across All Worlds* takes this ancient truth and reality of 'Christ in us' and breaches Western cognitive dualism to help us engage our hearts and bodies in Jesus' relationship with us." -Bruce Wauchope, M.D., Adelaide, Australia "All that Dr. Kruger writes is rooted in the unswerving belief that the Father, Son and Spirit are not interested in some theoretically perfected humankind but rather cares deeply about each one of us here and now, in our flesh, in our daily world." -David Jennings, Attorney, Vancouver, B.C. "For those who are compelled to 'kick at the darkness 'till it bleeds daylight, ' Baxter Kruger's *Across All Worlds* is a steel toed boot." -?Steve Bell, Singer/Songwriter, Winnipeg, Manitoba" . . . A wrecking ball through the stained glass certainty of Religionland, and at the same time a balm to heal the sin-sick soul . . ."-Bert Gary, author of "Jesus Unplugged," Florence, Mississippi C. Baxter Kruger is the Director of Perichoresis, an international ministry sharing the good news of our adoption in Christ with the world. He and his wife Beth have been married for 25 years and have four children. He earned his Doctor of Philosophy degree under Professor James B. Torrance in Aberdeen, Scotland. Baxter is the author of seven books, including "The Great Dance" and "Jesus and the Undoing of Adam," and teaches across the United States, Canada and Australia. He is an avid outdoorsman and holds two United States patents for his fishing lure designs. He is the founder and President of Mediator Lures.
